Revised 12/21/18

Presentation for Team Build

Students will be given a blue print. From this print, students will be asked to either:

1. Change the print to customers' needs for their new house.
2. This is a print from an existing home and the customer wants it remodeled.

During the presentation students will be evaluated on:

1. Did they follow instructions
2. Organization of plan or design
3. Foundation
4. Framing
5. Plumbing
6. Electrical
7. Presentation (did everyone contribute)
8. Demolition (If remodel)
9. Time Frame
10. Professionalism

15 Points in each area for a total of 150 points.

Revised 12/21/18
