1. Acrylic Nail Application

1 hour allotted – All five fingers of the *model's right hand* are to be sculpted with forms, no tips, using the two-tone/French-manicure technique. Based on salon quality nails, the following will be evaluated:

- Acrylic Application: product control, clarity/no bubbles, smile line, c-curve, arch, thinness and continuity.

Finished Appearance: smoothness, shape & length consistent finger to finger and proportionate to hand, high-gloss shine and cuticle involvement

2. Tip with Light Cured Gel

45 minutes allotted – All five fingers of the *model's left hand* are to have nail tips applied and blended (full-well and half-well only no French tip) and overlaid with a light cured gel. Based on salon quality nails, the following will be evaluated:

- Tip Application: fit, alignment, **blending**.
- Application: product control, even coverage of fabric, and thinness.

- Finished Appearance: clarity, smoothness, shape & length consistent finger to finger and proportionate to hand, high-gloss shine and cuticle involvement.

3. Nail Art & Polish Application

1.5 hours Allotted for Lacquer & Nail Art Application

Two coats of Dark Red Crème Lacquer/Polish is to be applied to the *model's right hand*.

No top coat to be used.

The following will be evaluated:

- Neatness, coverage, evenness and cuticle involvement.

Nail art is to be applied to all 5 fingers of the *model's left hand*. A specific theme is to be carried through on all 5 fingers and in a written description. Contestant must have written and submitted a description of the theme they intend to create at contest check in.

Themes should be typewritten, may be decorated and must be contained in the plastic sleeve. Diagrams/pictures of the art you intend to create can be used, however, are limited to the finished product and may not be step by step instructions. Once all judging is complete, props may be used to enhance art during the parade of models. All nail art must be created using polishes, lacquers and/or paint only! The following will be evaluated:

- Creativity; theme, follow through of theme, artist expression, and color coordination.
- Precision; neatness and clarity of lines.

Contestants will be evaluated on safety and cleanliness of their work station.

*Top coat may be used for nail art only

4. Oral Professional Development Assessment – 30 minutes

Contestants will give a 3-4 minute presentation on the benefits of Natural Nail Care. You can direct your presentation to the judges as if they were a client who came to you for a consultation. Props may be used. The presentation should cover the following points:

- Recommended natural nail care services.
- Results the client should expect.
- The home care products the client would need to purchase and use to obtain these results.

5. Written Examination – 30 minutes

Test will consist of 20-25 multiple-choice questions covering aspects of nail care not physically evaluated during the contest. Those subjects include but not limited to sanitation and disinfection, pedicures and light-cured gels.
