

State-Wide Food Sculpture Contest

SkillsUSA Michigan invites everyone to participate in the State-Wide Food Sculpture Contest! Collect non-perishable food items and/or paper products at your school and create a sculpture out of what you collect!

Each sculpture will be made of non-perishable food items and/or household paper products collected by your school. All items in the sculpture must be in their original containers and not opened. The sculpture items will then be donated to a charity of your choosing. At the State Conference, SkillsUSA Michigan will recognize one school in each of the following categories:
