

2021 Virtual State Conference Number Chart

as of March 11, 2021 (Tentative)

Each contest chair is working to ensure all students can compete. However, some contests may require a tiered contest with qualifier rounds. Contest details will be released by the end of February 2021.

State Contests are being modified to accommodate a virtual format. Contests may include any of the following: technical hands-on demonstration of skills, interview, presentation, technical assessment, portfolio review, etc.

National Qualifying Event may include an interview and/or technical assessment. In each contest area (contests and qualifying events), the highest scoring contestant will qualify for nationals.

Contest Descriptions will be posted as soon as they are released from the technical teams on <http://miskillsusa.org/state-contests/2021-virtual-state-contests/>. (2019-2020 Contest Descriptions and/or national technical standards that are posted on the State Contest page can be used as a general guide).

Contest	Event Type	Individual or Team Event	Number Allowed per School
3-D Animation & Visualization	Virtual Contest	Team of 2	3 teams
Action Skills	Virtual Contest	Individual	4
Additive Manufacturing	Virtual Contest	Team of 2	3 teams
Advertising Design	Virtual Contest	Individual	3
<i>American Spirit</i>	<i>Not offered this year</i>		
Architectural Drafting	Virtual Contest	Individual	3
Audio Production	Virtual Contest	Team of 2	unlimited
Automotive Refinishing	National Qualifying Event	Individual	3
<i>Automotive Service Tech, Brakes Event has been discontinued</i>			
<i>Automotive Service Tech, Electrical Event has been discontinued</i>
