3. The drop-down menu towards the top of the page, choose the conference you wish to register for, if it is not already displayed.

8. When finished, click on “Submit Registration” button.
9. The next screen gives options for Invoicing; either **One Invoice Per Training Program**, or **One Invoice Per School**. After you’ve chosen which way you want to be invoiced, click on the appropriate checkbox under the option you wish to use for your school, and then the appropriate button to “**Submit Checked Training Programs**” or “**Submit Entire School**”. *We do not accept POs, so no number is needed in the field.*
10. Remit the invoice to your school bookkeeper for payment. Payment must be made directly to SkillsUSA Michigan, PO Box 980432, Ypsilanti, MI 48198. Credit card payments are accepted using this form: <http://tinyurl.com/skillscreditcard>
11. You may come back and edit your registrations or add registrants until the final registration date.
  - a. To edit a previously submitted registration, repeat steps 1-3, then click on the number in the “edit” column for the person to wish to edit:
  - b. For a cancellation, click on the “Delete” button at the top. You can choose to generate a new invoice for the remaining registrants.
  - c. If payment is already in process for your school, any overpayments can be applied towards the next conference.
12. If you have changes after the conference portal closes, you will need to send an email to [aday7@emich.edu](mailto:aday7@emich.edu) with the details of the change to be made (who to drop, who to replace with, if there are any team or contest changes, etc.). **There will be no refunds for cancellations after the regular registration due date.**

***For the State Conference, contestant substitutions are subject to contest and membership guidelines.***
