## ***Billing and Late Fee Procedures***

The following procedures and charges have been developed by the Advisors' Council to encourage chapters to pay membership dues and registration fees on time. SkillsUSA Michigan relies on registration fees to be paid when registration forms are submitted so that we can have proper cash flow to pay our bills on time and without late dues being assessed to our association.

SkillsUSA Michigan accepts payments in the form of check, money order, and credit cards with an added processing fee (American Express, Visa, MasterCard, and Discover). We are not able to accept cash payments. Payments made by students/parents should be turned over to the school to have a school check issued to SkillsUSA Michigan. **We are not able to accept personal checks from anyone other than the chapter advisor. All refunds will be processed to the school's account, and not to a specific individual.**

A Purchase Order is not a form of payment, but rather a promise to pay an invoice. Schools will be responsible for any late fees if payments arrive after the due date, even if the Purchase Order was received prior to the due date. SkillsUSA Michigan is not able to hold personal checks and/or credit cards until payment is received from a school.

### **Membership Dues:**

Membership dues are due to SkillsUSA by check to the National Office. SkillsUSA Michigan will compare chapter rosters with regional contest registrations. Chapter advisors will be notified if they have any student registered for a regional contest that is not on their roster. The advisor will have 1-2 days to submit the student membership to SkillsUSA without a penalty. If SkillsUSA does not receive the additional membership within 1-2 days, SkillsUSA Michigan will bill the chapter a \$5.00 late fee for each member, each 30 days until the membership and late dues are paid.

**Each chapter is responsible for the payment of membership dues and conference registration for every student registered for any conference, workshop, or activity, even if the student does not attend the conference or drops out of their program.**

### **Conference Registrations:**

Chapters will be assessed a late registration and payment fee for all registrations and payments received after the registration deadline. A fee of up to \$15.00 per person up to a maximum of \$200.00 per chapter will be assessed per conference. Any chapter that owes any amount or has not submitted a Purchase Order for a conference by time the conference takes place, will have a letter sent to the school bookkeeper and school principal asking for assistance with the payment.

### **Statements:**

All past due accounts will be invoiced the first of each month. An additional invoicing fee of \$20.00 will be applied for each statement sent for accounts over 30 days past due.

- Second Request – A copy of the invoice will also be sent to the School Bookkeeper.
- Third Request – A copy of the invoice will also be sent to the School Principal.
- Final Action – Any school that is not paid in full for any outstanding invoices will have the invoice(s) sent to the School District's Finance office asking for their assistance with the outstanding charges.

This can be accomplished through field trips to local businesses, an open house for parents or industry partners, a visit to local community organizations to make a brief presentation about SkillsUSA or providing news releases and public service announcements to local media outlets for possible distribution.

Involvement in activities such as these brings positive recognition to SkillsUSA, and to local schools and their students. Also, it underscores the importance of SkillsUSA's purposes and mission, which is to help prepare America's high-performance workers in public career and technical programs.

### **Membership**

All students and advisors must be **paid** members of SkillsUSA Michigan by January 15, 2022, to participate at the State Conference.

### **Regional Contestant Forms**

The Regional Contestant Ranking Sheet or a Regional Direct to State Online Form is **REQUIRED** for all contests so that we know what contestants have qualified for the state contests. An accurate contestant count is necessary for contest supply orders, contest site set-up, conference registration, etc. One of these forms **MUST** be filled out for all regional contests (including those contests going directly to State) and for both HS and CPS divisions. These forms are on the web site at <http://miskillsusa.org>

- Failure to submit one of these forms will result in those students NOT being allowed to compete at the State Conference!
- If we receive a State Conference registration for a contestant NOT on the appropriate Regional Contestant Ranking Sheet or Regional Direct to State Form, he/she will NOT be allowed to compete!

## Participant Code of Conduct Form

**To maintain the confidentiality of student information, copies of the Code of Conduct form will no longer be turned into Conference Headquarters at registration material pickup.**

**Signed, original forms are to remain with the Lead Advisor(s) at the conference.** The form is available at <http://miskillsusa.org>

Please make sure that all persons attending the conference are familiar with the Participant Code of Conduct. The Participant Code of Conduct is for the protection of you, your students, your school, and SkillsUSA Michigan.

## Supervision

The Advisor's Council has determined that there should be adequate supervision for the students provided by each school.

- One (1) adult is responsible for every ten (10) students attending the conference. Please be sure to register the appropriate number of advisors from your school.
- Each school will decide which advisors are to be responsible for which students.
- Accountability for any student's misconduct will be the direct responsibility of the advisor in charge of his/her designee.
- Advisors should always have available the name, address, and phone number of the parents/guardians of each student they are responsible for.
- Advisors may be asked to help/volunteer during the State Conference.

## Registration Fee

All registrations must be made via the online conference registration system at <http://skillsusa-register.org>

- Early Registration Fee (registration submitted by March 14, 2022) - The conference registration fee is **\$75.00** for each person attending the conference. This is for all submitted participants: students, delegates, advisors, administrators, etc.
- Late Registration Fee (between March 14-21, 2022) - The conference registration fee is **\$90.00** for each person attending the conference. This is for all submitted participants: students, delegates, advisors, administrators, etc.

Your school is responsible for the **full amount** of registration fees owed when your registration was submitted. Any monies owed to the State Association must be paid in full prior to registering at the conference. Failure of making full payment at this time will result in the school being put on probation and therefore prohibiting members from attending official association functions, including the current year's National Conference. This probation will remain in effect until the school is paid in full.

## Request for Deadline Extension

Because SkillsUSA Michigan realizes that some schools have a long lead time to have a check issued for payment, we have developed a procedure for schools to request a two-week payment extension. Schools requesting a payment extension need to complete and submit the Request for Deadline Extension form at least **two weeks prior to the payment deadline**. A new form must be submitted for each conference for which an extension is requested.

## Housing Reservations

*As approved by the Advisor Council in July 2012, all schools **MUST** stay at the State Conference approved hotels. No other hotels or commuting is allowed.*

**For 2022 only, we will allow schools to commute to the conference. Because this is not a desirable option due to liability, lack of student experience, and because hotel rooms help to pay for conference facilities, this option comes with two additional requirements:**

- There will be an additional \$70.00 per person fee for delegates that do not stay at one of the conference hotels both nights, or \$35.00 per person fee for delegates that only stay one night.
- A form will need to be completed for each student that is commuting to and from the conference.

## Hotel Reservation Procedure

Room reservations are to be made by using the housing registration form. The housing form will be available on the SkillsUSA Michigan web site in January 2022. Please email completed forms directly to the email listed on the form. Hotel reservations cannot be made until March 1, 2022. The hotel must receive the reservations on or before March 18, 2022. **A \$100.00 deposit per room must be received prior to room reservations being confirmed.**

Please mail the deposit to the hotel at:

Amway Grand Plaza Hotel  
187 Monroe NW  
Grand Rapids, MI 49503

Student housing is based on four (4) to a room. If a chapter does not have multiples of four (4) delegates of the same gender, the chapter may fill a room by contacting other chapters or absorb the additional cost (per person) for occupancy less than four (4). Chapters need to house most of their delegation in quad rooms so SkillsUSA Michigan can ensure that there will be adequate room for all delegates. Students will not be permitted to be in a single room.

If you plan with another school to fill a quad room, only one school should list the student on the housing form; this school should be designated as responsible for prepayment of the shared room. The other school(s) should then pay the designated school. Please note that the hotel cannot guarantee that the shared room will be near both schools' hotel rooms.

The same procedure will be in place if advisors from two different schools plan to room together. Remember to check with your intended roommate first. Also, remember to **register your spouse** if they will be staying with you during the conference.

## Hotel Assignments

There is a unique housing form for each hotel since different housing rates are offered for each hotel. Advisors should review the rates listed and then select the hotel that best fits their needs. Once you have decided on your first choice for a hotel, select the corresponding form. If the hotel is not able to accommodate your rooms, you will be placed at the other hotel and that hotel will email you a revised invoice for your housing charges. Remember that the Amway Reservation Department will process registration forms in the order that both the form AND the deposits are received.

Both hotels are connected to each other and the Convention Center by a series of Skywalks.

- Amway Grand Plaza Hotel - 187 Monroe Avenue NW - 616-774-2000
- Courtyard by Marriott - 11 Monroe Avenue NW - 616-242-6000

### **Incidental Charges**

All incidental charges, (i.e., room services, movies, etc.) must be paid before checking out. There is to be no room service or phone calls made from the room. All phones will be restricted so no outside calls can be placed unless a credit card imprint is left at the front desk at time of check-in. Phone calls can be made from pay phones located throughout the hotel. Hotel operators have been instructed not to connect outside or room-to-room calls after curfew.

### **Elevator Repair Fee**

An elevator repair fee of \$800-\$1,300 will be charged to schools that require an elevator technician to release them from any elevator if it is determined that the school is at fault. This fee will be payable at check-out. For your safety, please refrain from overcrowding and jumping in the elevator. Failure to do so will result in the elevator becoming stuck and fees will be applied for repairs. Elevators are monitored by security cameras.

### **Suites and Parlors**

Suites and parlor rooms are only available to schools that have the minimum number of rooms listed below. This is to help chapter advisors with large numbers of students to conduct chapter meetings without blocking hallways. Suites and parlors are assigned in the order that the registration lists and the deposit are received.

**Descriptions of suites available at the Amway Grand Plaza Hotel.** Rates are on the registration form.

**Superior Rooms:** One room in the historic Pantlind section with a king bed and an oversized living area. The Superior Rooms also offer the ability to add a connecting room with 2 queen beds-offered at the group rate.

***Important Points to Remember:***

- **SkillsUSA Michigan Policy requires all participants stay at one of the official conference hotels. Conference Registration will not be accepted for schools that are not staying at one of the official hotels.**
- Special requests are based upon the availability at the time the housing form and full prepayment are received at the hotel.
- The Hotels will accept housing changes until 5:00 p.m. on March 28, 2022. After that time there will be a \$25.00 fee per change (name or room) and there will be no refunds for cancellations.
- **Please note that all sleeping rooms may not be available upon arrival, delegates should plan accordingly.**

## Hotel Conduct and Courtesy Guidelines

One of SkillsUSA's purposes is to provide opportunities for personal development and preparation for adult life. SkillsUSA conferences and activities are prime opportunities to help members develop important social skills, and among those, appropriate hotel behavior. These guidelines have been designed to assist our members in this area; by no means is this list exhaustive.

1. Do not change rooms with a friend; you must stay in your assigned room. Your parents may call looking for you, and the hotel should be able to connect them to the proper room.
2. Students may not have a member of the opposite sex in their room unless the chapter advisor is present.
3. Irons and ironing boards are usually located in each guest room. If you use them, make sure you put them away at the end of each night.
4. Window curtains should be drawn when lights are on in your room. Be completely dressed if your curtains are open.
5. Be completely dressed according to the SkillsUSA Michigan Dress Code any time you're outside of your own room.
6. Do not leave money or valuables unattended in your room or hotel lobby. Keep your room door closed and locked at all times. If someone knocks, find out who it is before opening the door. Make certain the night lock is engaged before you go to bed.
7. Do not prop your door open. An open door invites strangers in.
8. We are not the only guests in the hotel. **Do not let your door slam when you enter or leave your room.**
9. Your room is not soundproof. **Be in your own room and quiet at curfew to give hotel guests peace and quiet when they want to sleep.**
10. Be courteous to all other hotel guests on the elevators/escalators. Because it's difficult to move the number of people we have participating at our activities, do not delay the elevators in any way. When entering an elevator, step aside to let people off the elevator before getting on. Whenever possible, especially if you only must go up or down a floor or two, see if you can take the stairs to help with elevator congestion.
11. For your safety, please refrain from overcrowding and jumping in the elevator. Failure to do so will result in the elevator becoming stuck and a fee of \$800-\$1,300 will be applied for repairs. Elevators are monitored by security cameras.
12. Be sure your room is in neat order when you checkout. All trash should be placed in the trash can, irons and ironing boards put away, bedding at least piled on the bed, and towels in the bathtub.
13. You may not order any food deliveries after curfew. This includes deliveries from room service and off-property restaurants.
14. When dining in the hotel or neighboring restaurants, please remember the following guidelines for gratuities; 15% of bill for good service and 20% of bill for great service.
