

## *Professional Membership Benefits*

Why is it important to register yourself as a professional member of SkillsUSA? Becoming a professional member of SkillsUSA is one of the best ways you can demonstrate to your students the importance of the organization and the opportunities that membership will provide. As a professional member, you will receive online access to the following:

- **Framework Integration Toolkit:** The Framework Integration Toolkit has everything you need to ensure career readiness for students including videos, lesson plans, experiential activities and more.
- **Program of Work Toolkit:** The Program of Work Toolkit includes the Program of Work Launch Activity Guides, videos, and resources to help you implement effective activities.
- **Jump into Stem:** A chapter curriculum for members to mentor and engage elementary & middle school students in STEM learning while creating an opportunity for future recruitment.
- **SkillsUSA Championships Technical Standards:** The official rules and regulations for each of the competitions that are part of the championships. Available in early October!
- **E-Courses:** Contains SkillsUSA Framework Certification, CTE Knowledge Certification, Promoting Diversity, Equity, and Inclusion as a SkillsUSA Leader and Building Self-Motivation in Student Leaders.
- **Advisor Professional Development:** A variety of training opportunities, from webinars to classroom to multi-day sessions, there are a lot of options for differing training needs.

SkillsUSA professional members, as a free member benefit, receive the aforementioned items when they have submitted a current and accurate email address along with their membership details.

The latest *SkillsUSA Championships Technical Standards* is available online to professional members as part of their paid membership. Once membership has been submitted, an email will be sent to the address on file with a link to access the Technical Standards and other professional benefits.

- **As a special membership incentive, register at least 15 student members in your training program plus one or more professionals by November 15, and you will receive a free educational resource item: Member Handbook.**

## *Professional Membership Cards*

Professional members can print their own membership cards as soon as they join, right from the membership registration website. This feature provides each member with a quality, printable card. Each school/organization has the option to print individual cards on one page or print multiple professional cards to a single page using the batch print option. A log-on to the membership registration site is required.
