

COMPREHENSIVE CHAPTER (COHORT) PROGRAM

Coming Soon to SkillsUSA Michigan!

- Are you newer to teaching and/or SkillsUSA?
- Do you wish you had a SkillsUSA mentor?
- Do you want to take your SkillsUSA chapter to the next level?

The Comprehensive Chapter (Cohort) program is for you!

What It Is:

- A program designed specifically for advisor growth in building and maintaining SkillsUSA chapters
- A SkillsUSA professional learning community
- A place to share best practices, network, experience trial and error as SkillsUSA implementation occurs

Program Details:

- Two in person trainings, lunch and materials provided
- 4-6 Virtual trainings, scheduled through Zoom for one hour each after school
- Guided practice opportunities and reflection throughout the year
- Facilitated by national SkillsUSA professional development staff

Outcomes:

- Knowledge and confidence in building and maintaining a SkillsUSA chapter
- Analysis, usage, and reflection of SkillsUSA resources, including professional membership benefits found in Absorb
- Knowledge and confidence in completing a Chapter Excellence Program application
- Assists in strategic planning to implement Michigan Cluster (Foundation) Knowledge standards in employability skills
- SkillsUSA Certified Advisor national recognition

Program Cost:

- There is no registration fee, lunch on in person training days is included
- Participant schools are expected to provide substitute teachers for in person training
- Ground transportation is the responsibility of the participant
